

What about 2012? What's in store for the nations and Israel and the church? I have a great warehouse much more has been stored up in the storehouse of riches beyond your wildest dreams that I have laid up for you before the foundation of the world. Much more is stored up here than what the church has ever called for. I have never held back on the church says the Lord I have made it available to you I've put it in my word and gave you the promise and stood behind with the blood of my son but there has been a backwardness in my people about laying hold of the things that I have provided for them but there is a people in the land in the world, strong and mighty growing much stronger and mightier and more bold to lay hold of and put their claim by faith on the things that I have laid up for you and it thrills me says the Lord because it's been yours all the time. 2012 is full of surprises suddenly it is a year of my spirit for many of you will choose to hear my voice and those who have made up their minds and put themselves available to my spirit and my word you will have surprises oh not like the world and other carnal minded christians but yours will come as suddenly just as in my word and suddenly it came upon them and you will stand up and smile and say suddenly i got it. there are those of you who are seeking my voice and my word and my name and looking at me in my face and I'm looking at yours and together we will walk in this and through this and there will come a time where you will just smile and me and I'll just smile at you and suddenly for you will overcome for I have overcome and you will be my sons and my daughters and you will be all that I called you to be and oh the joy the thrill the goodness

2012 is going to be a year of great joy of marvelous breakthroughs, victory and miracles so rejoice and shout and understand that the breakthrough that you have sought for and watched over and prayed over and stood in faith for...don't turn away now for they are coming to pass don't turn loose now because they are at hand. Stand up and praise God, stand up and have no worry stand up and fear not about the United States of America for I am not done with her yet and it may come as a surprise to you but this nation is not done with me yet. For you have a job to do and this will be a year like none other that this nation has ever known and there will be others who say but we cant and they wont but you will. This is my time this is your time and you are right were you are supposed to be and He is right were you want him to be and your future is bright so rejoice and give forth a glad sound . remember now that prayer changes all things and together you are on a great victory yes 2012 will be full of miracles miracles as though they seam they would not come but there is an atmosphere now that is conducive to miracle and they are growing and they will manifest in the 1st qtr of 2012 and continue throughout the year and grow even stronger into 2013 your future is better and better and bright all the time that's what 2012 hold for you.
